The Honorable Peter Roskan
United States House of Representatives
150 South Bloomingdale Road, Suite 200
Bloomingdale, IL 60108
Attn: (b) (6)

Dear Congressman Roskan:

This is in response to your inquiry of June 17, 2011, concerning a security clearance for Mr. (b) (6). Your letter was received in our facility on June 24, 2011.

Records indicate that Mr. (b) (6) is only eligible for a Secret clearance, based on a personnel security investigation (PSI) completed on October 11, 2006. The security clearance required for the Cryptologic Technician (Interpretative) (CTI) is Top Secret with access to Sensitive Compartmented Information (TS/SCI). To be considered for the TS/SCI authorization, a different PSI - Single Scope Background Investigation (SSBI) - must be completed.

Mr. (b) (6) is encouraged to coordinate with his Commanding Officer of USS COLUMBUS (SSN 762) for any new requirements to change his clearance, as such matters are the Commanding Officer's prerogative.

I hope this information assists you in responding to your constituent.

Sincerely,

(b) (6)

Director
